### PROUDLY SERVING AUTHENTIC FAMILY RECIPES HANDED DOWN BY THIS LIVELY BUNCH

At Mici, we serve you the same wholesome recipes that have been handed down to us for generations – long before processed and prepackaged options existed. If we won't serve it to our kids, we won't serve it to you. Our sausage recipe contains nothing but pork, spices and Romano cheese and our meatballs are hand-rolled in house, the same way our father taught us. We always choose hormone-free chicken breast and nitrate-free pepperoni. When there's a choice between average and exceptional (think imported Parmigiano-Reggiano, Prosciutto di Parma and 100% extra virgin olive oil), we choose exceptional every time.
